Dear Friends and Partners of TAO European Incoming,

2015 has been a big year for TAO European Incoming. Not only has it been the most successful in the company's history, but we've also been able to celebrate many fascinating projects and spectacular events with new and existing partners.

So to you, our friends and clients from across China, we say a big "Thank You"!

This summer saw TAO working with one of China's most influential companies, HNA Group, completing our largest project to date, in Switzerland. The project involved a wide section of our service portfolio, including VIP services, cultural workshops and public events, press meetings, gala dinners and entertainment. For TAO, the opportunity to work with such a renowned Chinese company was undoubtedly a highlight.

Yet alongside this project, TAO has been honoured to provide our services to a whole raft of well-known corporate names in 2015, including events and assignments with Jaguar, BMW China, CITIC Bank, HUAWAI, various pharmaceutical companies, as well as a major gala evening for CYTS Linkage in Norway. A further highlight was a project for the CEC (China Entrepreneurs Club), representing 30 of the most wealthy businesspeople in China.

We've also had the pleasure to personally meet many of our partners and friends this year at events and presentations in China, and also during our European fam trips in conjunction with the IMEX Frankfurt and the itbm World in Barcelona. The positive feedback and valuable input we received from

these trips will help us to ensure that TAO will continue to better address the demands and wishes of our Chinese clients into the coming year.

And with that thought in mind, the team at TAO looks forward to furthering and building the strong, fruitful cooperation we have enjoyed with you in 2015, into the New Year 2016. We wish you, your colleagues and families a wonderful start to 2016, and year full of health, luck and success.

Season's Greetings from Europe,
Thorsten Wilhelm and the TAO
