TAO is delighted to continue its strong relationship with one of Germany’s top luxury brands, BMW. As part of the company’s 100th anniversary celebrations this month, TAO was honoured to handle two Chinese VIP groups from TUI and Across China. The guests included many of BMW’s top Chinese investors, who were invited to BMW HQ in Munich to participate in the official centenary celebrations.

TAO also congratulates BMW on 100 years of success and innovation!

LANCÔME
PARIS

A Song for Lancôme

In March, TAO also welcomed 122 guests from the headquarters of the international cosmetics giant, Lancôme, to Berlin. The two-day team-building event took in some of the German capital's coolest locations, including a gala evening in the hip club and restaurant, Spindler & Klatt, on the banks of the river Spree.

The highlight of the event took place at the legendary Hansa Studio recording centre, famous for its work with stars such as David Bowie, U2 and Depeche Mode. Here, TAO provided a unique team activity, in the form of a song for Lancôme: "L is Beautiful". After vocal coaching and introduction to the recording process, the Lancôme team recorded their track. That same evening, the team were able to hear the fruits of their efforts, when the DJ in Spindler & Klatt played their tune to a packed dancefloor!

Feedback from the participants and the client was excellent. A spokesperson for Lancôme said simply: "The best event we've ever had."

Festivals and Events around Europe

Each month, we'll keep you updated on forthcoming events, festivals and exhibitions taking place around our continent. Here are three highlights to watch out. Contact TAO for more details of how to incorporate these events into your MICE planning.

Formula 1 – Grand Prix Monaco: 26th to 29th May 2016

Formula 1 represents the pinnacle of motor sport, and no race promises more drama, prestige and glamour than the annual Grand Prix in Monaco, on the shores of the sparkling Mediterranean Sea. Held annually since 1929, the race is run on a 3.3km road circuit, snaking through the centre of the principality. For the three days of the race, Monaco turns into the international hub of motor sport, with even more glitz than Monaco usually promises! For fans of high-octane excitement and world-class luxury, a visit to the Monaco Grand Prix is a must.

Horse Fair in Jerez, Spain: 30th April to 7th May 2016

Jerez, an historical and picturesque city in the south-west of Spain, is considered by many to be the heart of traditional Spanish culture. For a taste of the flair and verve of the unique Andalucian lifestyle, the annual Horse Fair in Jerez is the ideal starting point. With ancient origins going back to 1284, the fiesta celebrates the purebred horses of the region, the horsemanship of their riders, as well as all the other special elements of southern Spanish culture, from flamenco and bulls to the fine wines and food of the region. Dancing and firework displays take place every

evening, and visitors cannot help but get whipped up into the fantastic atmosphere which the fair generates.

Cannes Film Festival, France: 11th to 22nd May 2016

Alongside the Oscars, the Cannes Film Festival is one of the world's most celebrated gatherings of the global film world. Taking place in southern France each May, the festival is part trade fair, part networking platform, part talent exchange and part media circus. A jury of film professionals and actors award prizes to their colleagues and peers, including the famous "Palme D'Or", perhaps film's most highly sought-after recognition.

Although primarily for cinema professionals, the festival attracts thousands of visitors to Cannes each year, looking to share their passion for film with other like-minded fans and hobby-cineasts. From outdoor screenings to public events and private parties, the Cannes Film Festival is a feast of film.
